The principle functions of the Canoe Foundation are to raise money; inform and educate; and allocate funds, in line with the Charity's mission statement: **'positively changing lives through canoeing'**, and the following areas Young People, Places, Heritage, International, & Equality.

Over the past eight years the Canoe Foundation has awarded in excess of £110,000 worth of grants to more than 100 projects, which has, in turn benefitting over 10,000 individuals. None of this would have been possible without the continued support the Charity receives from you, the paddling community, and wider afield. Thank You
